Unconvinced That Situation Warrants Drastic Action, President May Decline Request of Mayor Mitchel.

The creeds of the Dark Ages did indeed din into our ears the message of the curse. Yea, they distorted it and made it a message of eternal torture, whereas the Scriptures declare that "the wages of sin is death"—not eternal torment. In our darkness we mistranslated and misinterpreted God's wind to ever own confusion, swallowing ual needs of the country.

Still unconvinced that the sittic measures of this sort, the President, it is believed, will decline to act at this time.

Faces Much Hardship.

In his letter Mayor Mitchel said: There is immediate prospect of much hardship and suffering in New York and other cities caused by the recent increase in the price of bread. This increase has amounted to 20 per cent in the last few days, which is a consider-

The Bible promises that it shall bring bless-ings to every creature—not only the living but the dead; for "all that are in the graves shall hear the voice of the Son of God and shall come forth." (John 5:25, 28, 29.) All must be given a full opportunity to come into harmony with the Divine Law.
